Pre-Nursery Happenings

Theme: All about Myself

The children learn about their body parts and senses through books, art, and hands-on activities.

Book Sharing

Creative Expression / Art Activity

Sensorial experience of creating my face
(Face – eyes, nose and mouth).

Group Lessons

Touch and feel the texture!

Smell the orange.

Look at the orange. Can't wait to **taste** it...

Pre-Nursery Happenings

Circle Time

For Pre-Nursery and Nursery

Reviewing letter sounds through games

Growing with Maths songs

Chinese and Motor Skills Development

Learning Chinese through rhymes, songs, stories, art activities e.g. finger printing, colouring.

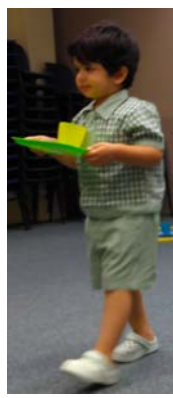

Activity sheets on body parts

Motor Skill Development - Walking, jumping and running.

Pre-Nursery Happenings

The children played a game, "Hot Soup!" where they learnt to balance and hold a tray upright while walking. Besides reinforcing what they have been learning in Motor Skills Development – walking on straight and zig zag lines, this also prepares them for practical life activities in Montessori.

Montessori Time

The pre-nursery children are developing their independence, concentration, pre-writing and pre-math skills as they work on Practical Life and Sensorial materials.
